

I would like to comment on the possibility of losing a radio station here in El Paso. I heard recently that my favorite radio station, K-LOVE (89.5 FM) in El Paso, may be taken over by a new LPFM station which would have priority when choosing a frequency. K-LOVE is very important to me and many other people I know. It is a Christian station that has changed many lives. It is good wholesome family programming that doesn't need a 7 second delay like many popular stations out there. Please consider my comments and leave K-LOVE (89.5 FM) alone in El Paso. Thanks.
